

PURCHASE ORDER TERMS AND CONDITIONS

THESE PURCHASE ORDER TERMS AND CONDITIONS (“PO TERMS AND CONDITIONS”) SHALL GOVERN ANY AND ALL COMMERCIAL TRANSACTIONS ENTERED INTO BY AND BETWEEN RCL (UK) LTD. AND/OR ANY PARENT COMPANY, AFFILIATE, OR SUBSIDIARY (COLLECTIVELY, THE “BUYER”) AND THE SUPPLIER AND/OR PROVIDER (COLLECTIVELY, THE “SUPPLIER”) OF THE PRODUCTS (“PRODUCTS”) OR SERVICES (“SERVICES”) THAT ARE THE SUBJECT OF THE PURCHASE ORDER.

THESE PO TERMS AND CONDITIONS, TOGETHER WITH ANY TERMS AND CONDITIONS ON THE FACE OF BUYER’S PURCHASE ORDER, BUYER’S WRITTEN ATTACHMENTS THERETO OR SUPPLEMENTS THEREOF, BUYER’S WRITTEN SPECIFICATIONS, AND OTHER DOCUMENTS EXPRESSLY INCORPORATED HEREIN BY REFERENCE, SHALL BE REFERRED TO AS A “PURCHASE ORDER.”

THESE PO TERMS AND CONDITIONS ARE INCORPORATED BY REFERENCE INTO ANY REQUISITIONS AND ELECTRONIC ORDERS ISSUED BY BUYER, AS IF EXPRESSLY SET FORTH THEREIN. A PURCHASE ORDER MAY NOT BE ALTERED, AMENDED, OR MODIFIED WITHOUT BUYER’S PRIOR WRITTEN APPROVAL.

1. APPLICABILITY, ACCEPTANCE, & CHANGE ORDERS.

(a) A Purchase Order is BUYER’s offer to purchase certain Products and/or Services from SUPPLIER and does not in any way constitute an acceptance by BUYER of any offer by SUPPLIER to sell any Products or Services that may be included in a proposal, quotation, estimate, catalog, or written communication provided by BUYER (“Proposal”). Any reference to a Proposal is solely for the purpose of incorporating the description and specifications of the Products and/or Services into the Purchase Order. (b) By accepting a Purchase Order, shipping the Products, or performing the Services called for in a Purchase Order, SUPPLIER agrees to comply with these PO Terms and Conditions, which shall supersede any statements or provisions by SUPPLIER to the contrary that may be contained in a Proposal, or that are not expressly agreed to by BUYER in writing. ANY ADDITIONAL OR DIFFERENT TERMS OR CONDITIONS COMMUNICATED ORALLY BY BUYER OR SUPPLIER, CONTAINED IN SUPPLIER’S ACKNOWLEDGEMENT OF A PURCHASE ORDER OR ANY OTHER FORMS, OR ANY ALTERATIONS MADE TO THESE PO TERMS AND CONDITIONS, SHALL BE DEEMED OBJECTED TO BY BUYER, WITHOUT THE NEED FOR FURTHER NOTICE OF THE OBJECTION, AND SHALL BE OF NO EFFECT, NOR IN ANY CIRCUMSTANCE BINDING UPON BUYER, UNLESS ACCEPTED BY BUYER’S VICE PRESIDENT IN A SIGNED WRITING. Acceptance or rejection by BUYER of any such additional terms or conditions shall not constitute an acceptance of any other additional term or condition. (c) To the extent BUYER and SUPPLIER enter into a separate, specific written agreement executed by both parties regarding the purchase of the Products and/or Services pursuant to a Purchase Order (“Specific Written Agreement”), such Specific Written Agreement shall govern and control. (d) These PO Terms and Conditions apply to any replaced or

replacement Products or Services provided by SUPPLIER hereunder. (e) These PO Terms and Conditions shall apply to any of SUPPLIER’s agreements or purchase orders with its subcontractors engaged for the delivery of Products or Services pursuant hereto.

A Purchase Order is not binding on BUYER until SUPPLIER accepts the Purchase Order in writing or starts to perform in accordance with such Purchase Order. BUYER may cancel or withdraw the Purchase Order, in whole or in part, at any time before it is accepted by SUPPLIER.

At any time prior to performance, BUYER may order changes to the Products or Services contemplated in a Purchase Order by written instructions issued to SUPPLIER (each a “Change Order”). SUPPLIER shall, within five (5) days of receipt of a Change Order submit to Buyer a firm cost proposal for the Change Order. If BUYER accepts such cost proposal in a signed writing, SUPPLIER shall proceed with the changes subject to the cost proposal and these PO Terms and Conditions. SUPPLIER acknowledges that a Change Order may or may not entitle SUPPLIER to an adjustment in the SUPPLIER’s compensation or performance deadlines.

2. PRICE. The price of the Products or Services is either the price stated in the Purchase Order, or if no price is included in the Purchase Order, then the lower of (i) the price agreed upon by BUYER and SUPPLIER, or (ii) the lowest price being paid by any customer or purchaser of SUPPLIER for Products and/or Services of substantially the same or similar quality and quantity for use in the same industry. If, at any time during the fulfillment by SUPPLIER of its obligations under the Purchase Order, SUPPLIER charges any other buyer a lower price, SUPPLIER must apply that price to all Products and Services under the Purchase Order. If SUPPLIER fails to provide such lower price to BUYER, BUYER may, at its option, terminate the Purchase Order without liability.

Unless otherwise specified in the Purchase Order, the price includes all packaging, transportation costs to the delivery location, insurance, customs duties and fees, and applicable taxes, including, but not limited to, all sales, use, or excise taxes.

No increase in the price is effective, whether due to increased material, labor, transportation costs, or otherwise, without the prior written consent of Buyer.

3. INVOICING. SUPPLIER must invoice BUYER for Products delivered and/or Services performed within ten (10) days of delivery of the Products or the performance of Services. SUPPLIER agrees to forego any and all compensation, fees due, or any other charges or amount(s) due to SUPPLIER for any Products or Services not invoiced to BUYER within 120 days of the delivery of the Products or the performance of the Services. Unless otherwise agreed in writing, payment of all invoiced charges for the Products and/or Services shall be due net seventy-five (75) days after the later of: (i) the receipt by BUYER's accounts payable department of an appropriate invoice and any other supporting documentation required by BUYER's accounts payable department, and (ii) BUYER'S acceptance, in its sole discretion, of the Products and/or Services covered by such invoice. All payments shall be made in U.S. dollars. BUYER reserves the right to deduct or setoff from any payment due to SUPPLIER any amounts that BUYER in good faith believes are owed to it by SUPPLIER. SUPPLIER shall submit a separate invoice on each Purchase Order, and each such invoice shall reference the applicable Purchase Order number. All invoices shall be mailed or emailed to the accounts payable address that is specified in the Purchase Order.

4. TIME FOR PERFORMANCE. SUPPLIER agrees that time is of the essence and agrees to complete and deliver in the quantities and at the time and date(s) specified by BUYER in the Purchase Order. If SUPPLIER fails to deliver Products in full on Buyer's specified delivery date, BUYER may terminate the Purchase Order immediately by providing written notice to SUPPLIER and SUPPLIER shall indemnify BUYER against any losses, claims, damages, and reasonable costs and expenses directly attributable to SUPPLIER'S failure to deliver the Products on the date(s) and at the time(s) specified by BUYER. SUPPLIER bears all risk of loss or damage to the Products up to, and until, the delivery to BUYER's premises or the site designated by BUYER. All Products shall be delivered to the address specified in the Purchase Order during BUYER's normal business hours or as otherwise instructed by BUYER.

Delivery shall be made in accordance with the terms on the face of the Purchase Order. SUPPLIER shall give written notice of shipment to BUYER when the Goods are delivered to a carrier for transportation. SUPPLIER shall provide BUYER all shipping documents, including the commercial invoice, packing list, air waybill, bill of lading, and any other documents necessary to release the

Products to BUYER within two (2) business days after SUPPLIER delivers the Products to the transportation carrier. The Purchase Order number must appear on all shipping documents, shipping labels, bills of lading, air waybills, invoices, correspondence, and any other documents pertaining to the Purchase Order.

In addition to the foregoing, SUPPLIER shall maintain complete and accurate records relating to the provision of the Services under a Purchase Order, including records of the time spent and materials used by SUPPLIER in providing the Services in such form as BUYER shall approve.

5. TITLE. Title shall pass to BUYER upon the earlier of (a) delivery of the Goods to BUYER's premises or the site designated by BUYER, or (b) BUYER's payment for such Products or Services.

6. NONCONFORMING PRODUCTS. Changes in the Products ordered or partial deliveries shall not be accepted unless BUYER gives prior written authorization to SUPPLIER. BUYER can refuse Products (i) supplied in excess of or less than the quantities ordered, or (ii) delivered earlier than the agreed delivery date. Any rejected Products shall be returned to SUPPLIER at SUPPLIER'S risk and expense and BUYER may deduct such costs from any amounts due to SUPPLIER. If BUYER does not reject the Products and instead accepts the delivery of the Products, the price for the Products shall be adjusted on a pro-rata basis.

7. INSPECTION AND ACCEPTANCE. BUYER may inspect and test all or a sample of the Products or Services at all reasonable times and places, including the period of manufacture, and may reject all or any portion of the Products or Services if it determines the Products or Services are nonconforming or defective. If any inspection or test required by BUYER to be made on SUPPLIER's or its subcontractor's premises, SUPPLIER shall provide all reasonable facilities and assistance for the safety and convenience of inspectors designated by BUYER without additional charge. All Products or Services are subject to final inspection and acceptance at BUYER's premises or other specified place of delivery notwithstanding any payments or other prior inspections.

If BUYER rejects any portion of the Products or Services, BUYER has the right, effective upon written notice to SUPPLIER, to: (a) rescind the Purchase Order in its entirety; (b) accept the Products or Services at a reasonably reduced price; or (c) reject the Products or Services and require replacement of the rejected Products or Services. If BUYER requires replacement of the Products or Services, SUPPLIER shall, at its expense, promptly (or upon such other time frame as may be mutually agreed in writing) replace the nonconforming Products or Services and pay for all related expenses, including, but not limited to, transportation charges for the return of the defective Products and the delivery of replacement Products or Services. If SUPPLIER fails to

timely deliver replacement Products or Services, BUYER may replace them with goods or services from a third party and charge SUPPLIER the cost thereof and terminate the Purchase Order for cause. Any inspection or other action by BUYER under this Section shall not reduce or otherwise affect SUPPLIER's obligations under the Purchase Order, and BUYER shall have the right to conduct further inspections after SUPPLIER has carried out its remedial actions.

Except as otherwise provided herein, SUPPLIER shall be responsible to correct, at its expense, all latent defects, which cannot be discovered by BUYER through reasonable inspection methods or time of use. Payment for all or any part of the Products or Services shall not constitute acceptance or waiver of any warranty. Inspection or failure to inspect at destination shall not affect any warranty.

8. SUPPLIER REGISTRATION SYSTEM. SUPPLIER shall register with BUYER's vendor management system, and in connection therewith, SUPPLIER may incur a nominal registration fee. BUYER, or the third-party supplier management system on BUYER's behalf, may collect the fee or the fee may be deducted from any invoice issued by SUPPLIER pursuant to, or any amount due SUPPLIER under this Purchase Order. The fee is non-refundable, and SUPPLIER shall not be reimbursed the fee, or any portion thereof, even if its business relationship with BUYER ceases, including termination by BUYER.

9. REIMBURSEMENT OF COSTS AND EXPENSES. SUPPLIER is responsible for its out-of-pocket costs and expenses incurred in connection with the delivery of the Products and/or the performance of the Services unless BUYER expressly pre-approves such out-of-pocket costs or expenses in writing. Such approval shall be limited to costs and expenses reasonably incurred and shall be subject to the submission by SUPPLIER of written evidence that it has incurred such costs in a form and manner acceptable to BUYER. These costs and expenses include reasonable out-of-town travel expenses, long distance telephone calls, and other related expenses, but shall not include normal daily working and commuting expenses. BUYER may require that SUPPLIER arrange travel through BUYER's travel coordinator, in which case BUYER shall pay for travel expenses directly.

10. WARRANTY. SUPPLIER represents and warrants to BUYER that all Products and/or Services supplied hereunder shall: (i) be fit for their intended purpose and operate as intended; (ii) be free from defects in workmanship, material, and design; (iii) conform to applicable specifications, drawings, designs, samples, technical, and other quality requirements specified by BUYER; (iv) be merchantable; (v) be free and clear of any liens, security interests, or other encumbrances; (vi) not infringe or misappropriate any third party's patent or other intellectual property rights; (vii) be new unless otherwise stipulated on the face of the Purchase Order;

and, (viii) to the extent Services are performed, that all such Services are performed in a professional and workmanlike manner and in accordance with the highest standards, practices, and codes of the industry applicable to such Services. These warranties survive delivery, inspection, acceptance, and payment of or for the Products and Services. These warranties are cumulative and in addition to any other warranty provided by law or equity. Any applicable statute of limitations runs from the date of BUYER's discovery of the noncompliance of the Products or Services with the foregoing warranties. If BUYER gives SUPPLIER notice of noncompliance with this Section, SUPPLIER shall, at its own cost and expense, promptly replace or repair the defective or nonconforming Products or re-perform or correct any and all Services and pay for all related expenses, including, but not limited to, transportation charges for the return of the defective or nonconforming Products to SUPPLIER and the delivery of repaired or replacement Products to BUYER.

11. SUPPLIER WAGES. Any employee of SUPPLIER involved in performing Services for BUYER hereunder shall at all times be and remain the employee of SUPPLIER, and SUPPLIER shall be solely responsible for the payment of such employee's compensation, for deducting any required withholding taxes and other expenses associated with such employee's employment, and for providing all employee benefits. BUYER shall not provide Workers' Compensation, health insurance, life insurance, retirement, or any other benefits to any employee, representative, agent, or subcontractor of SUPPLIER. SUPPLIER agrees to accept exclusive liability for the payroll taxes or contributions for unemployment insurance or old age pensions or annuities that are measured by the wages, salaries, or other remuneration paid to SUPPLIER's employees, representatives, agents, or subcontractors, and to reimburse BUYER for any of said taxes or contributions that by law BUYER may be required to pay, and to comply with all laws, orders, and regulations respecting the assumption by SUPPLIER of liabilities of said taxes or contributions.

12. TAXES. SUPPLIER shall pay all taxes imposed against it or required to enable it to deliver the Products and/or perform the Services referenced in this Purchase Order. Any applicable state and/or local sales and/or use taxes due on the Products and/or Services are the duty of SUPPLIER to collect and shall be separately stated on all invoices as such. However, SUPPLIER shall not collect or include any sales and/or use taxes on Products and/or Services for which BUYER provides SUPPLIER with an exemption certificate.

13. PROPRIETARY INFORMATION. All specifications, drawings, designs, manufacturing data, and other information transmitted to SUPPLIER by BUYER in connection with the performance of this Purchase Order are the property of BUYER and are

disclosed in confidence upon the condition that they are not to be reproduced or copied or used for furnishing information or equipment to others, or for any other purpose detrimental to the interest of BUYER.

15. CONFIDENTIALITY. (a) All Confidential Information (as hereinafter defined) is the sole and exclusive property of BUYER, and SUPPLIER shall not have any right, title, or interest therein or claim to any profits therefrom. Confidential Information shall be disseminated only to SUPPLIER’s employees assigned to provide Products or Services to BUYER hereunder on a need-to-know basis, and SUPPLIER shall hold all Confidential Information in trust and confidence for BUYER. SUPPLIER shall not, during or at any time after termination of this Purchase Order, directly or indirectly, use for itself or another, or copy, sell, transfer, disclose, or make available to any other person or entity, in any form or manner whatsoever, any Confidential Information except as such use or disclosure may be expressly permitted by the prior written consent of BUYER. SUPPLIER shall also observe the same obligations with respect to trade secrets and other confidential information of third parties obtained by SUPPLIER as a result of BUYER’s business relationship with such third parties. (b) For purposes hereof, the term “Confidential Information” shall include all technical, commercial, and operational knowledge, data, and information relating to BUYER or to third parties with whom BUYER has a business relationship, including: (i) information of a business nature, including without limitation information relating to cost, profits, losses, sales, or customers; (ii) all intellectual property; and (iii) any other confidential information to which SUPPLIER has had access while fulfilling this Purchase Order. The obligations of confidentiality shall not apply to any information which (i) was previously known to SUPPLIER; (ii) is or becomes publicly available through no fault of SUPPLIER; (iii) is disclosed to SUPPLIER through a third party which has no obligation of confidentiality to BUYER; or (iv) is independently

developed by SUPPLIER outside the scope of this Purchase Order. SUPPLIER shall require each subcontractor to be bound by the confidentiality provisions of these PO Terms and Conditions, and SUPPLIER shall be responsible for any breach by subcontractor of this Section 15.

Insofar as SUPPLIER’s indemnification obligations under this Purchase Order arise, and without relieving any of such obligations, SUPPLIER shall promptly notify BUYER of any such claims, demands, or actions. BUYER reserves the right to participate in the defense of any such claims, demands, or actions at its own cost and expense, without relieving SUPPLIER of any obligation hereunder. In the negotiation or settlement of any such claim, demand, or action, SUPPLIER shall not make or agree to make, any representations related to liability or apportioning of fault without prior consultation with and written consent of BUYER; any such representations shall be void. This Section 16 shall survive the termination of this Purchase Order and/or its fulfillment. Each such policy shall provide that no cancellation or change in coverage adverse to BUYER shall be valid except upon at least thirty (30) days prior written notice to BUYER. SUPPLIER shall present BUYER with Certificates of Insurance evidencing the insurance coverage required herein, and with the exception of Workers' Compensation, name BUYER, its subsidiaries, and affiliated companies, and their employees, officers, and agents as Additional Named Insured (1) prior to commencing work, and (2) if requested, within ten (10) days of BUYER's request.

Upon the occurrence of a default, BUYER may terminate this Purchase Order upon oral or written notice without prejudice to any other rights or remedies it may have in law or equity. Written consent for Transfer pursuant to this Section 19 shall not be deemed to create any contractual or agency relationship between BUYER and any Third Party. SUPPLIER shall be fully liable for, and shall defend, indemnify, and hold BUYER harmless from, and against, any claims, demands, and legal action incident to the Transfer and the Third Party relationship, including, but not limited to, payment. 23. WAIVER OF LIENS. SUPPLIER confirms that its entry into this Purchase Order is based solely upon the credit of BUYER and not based upon the credit on any of the vessels or other property owned or operated by BUYER, its subsidiaries, affiliates, and/or brands. SUPPLIER expressly waives any right to any lien (maritime or otherwise), and agrees that it, its parent, subsidiaries, affiliates, and related companies, and the owners, officers, directors, employees, agents, and subcontractors thereof, shall neither assert, prosecute, or execute a lien on, initiate or pursue any actions *in rem* against, or otherwise encumber or take action that may affect title to (collectively, “encumbrance”), any vessel or other property owned or operated by BUYER, its subsidiaries, affiliates, or related companies any matter arising from, related to, or in connection with this Purchase Order, including under the Jones Act, and expressly waives any lien it might otherwise have had on any such vessel or other property. SUPPLIER agrees to defend, indemnify, and hold the Indemnified Party harmless from, and immediately (i) remove any lien or encumbrance, (ii) remedy any lien or encumbrance, or (iii) secure the release of any vessel or property from arrest, attachment, or seizure that may arise in
